

Want to know who your child's teacher will be next year?? READ ON!

It is indeed a digital age! In order to access a variety of school related information about your child, the best avenue is through Powerschool/ Parent Portal. You will be able to pay fees, update contact information and more.

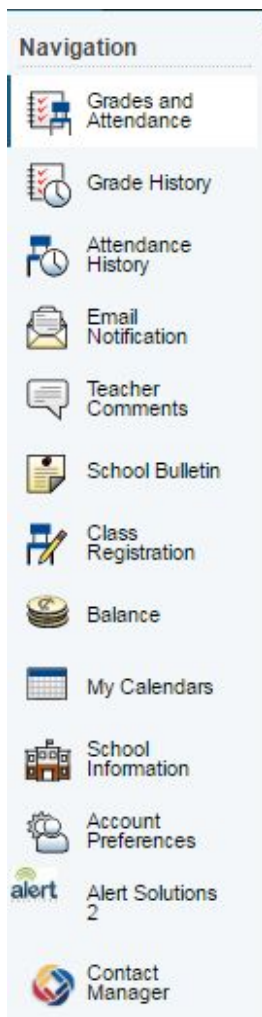

The first information you may want to see, is the classroom your child will be placed in for the 2018-2019 school year. This information will be available on August 29, 2018.

How to do this? Follow these steps to successfully navigate your way:

If your RVS child is already set up in Parent Portal...

- a) Go to www.cesd73.ca
- b) Click on "Students & Parents" from the menu below the scrolling pictures
- c) In the "General" menu on the left, click on "PowerSchool" and login using your username and password that you previously set up.

d) Once logged in, you will be sent to the main page of the Parent Portal - the screen will default to Grades & Attendance (from the menu on the left)

e) Note the Homeroom Teacher listed in the first row of information - this will be your child's homeroom teacher for the 2018-2019 school year!

f) If you have more than one child registered, you can see each child's name as tabs at the top. Just click each child's name to see their information.

If your RVS child is NOT YET set up in Parent Portal...

You will see another note in your child's report card with instructions for navigating the process. Simply follow the steps on that sheet to get your child set up.

Alberta Education has set the goal to digitize student records across the province of Alberta by September 2020 and we appreciate your cooperation in this process. If you have any difficulties, please contact the school office at 403-638-3939 or email Mrs. Olson at kolson@cesd73.ca.

Thanks for utilizing Parent Portal!
