

Sundre & District Nutrition for Learning

Dear Students, parents & staff,

RE: Allergy concerns.

Nutrition For Learning is in our 15th year of serving healthy snacks and milk to all students of River Valley School.

We try to serve a variety of snacks that encourage and reflect healthy eating and always welcome your comments and or involvement with Nutrition for Learning.

If your child has a food allergy that NFL should be aware of, please let their teacher know as well as return this letter with your child's name and allergy to the office.

Unfortunately we are not able to make a special snack for your student if there is an allergy conflict that day. Please feel free to contact me if you would like more information or to discuss this further.

Sincerely,

Heather Hicks
Nutrition for Learning Coordinator, RVS
