A safe and happy place to learn

November 18, 2022

Dear Parents,

The winter season is traditionally a time of both giving and receiving. We are happy to once again be able to have students participate in the Hopes & Dreams food drive campaign that supports the local Sundre Santas initiative. Starting November 21 and running until December 8, any students who would like to donate a non-perishable food item can bring it to the office each morning. We are building a beautiful bulletin board display of gingerbread houses and each donation will add a decoration to the display. We would also be happy to accept donations the evening of the Middle School Christmas Dance (Gr 6-8) on December 8th.

We are also planning a "Mitten Tree" display in the library, and would invite donations of new mittens, toques, scarves, or socks. All of these items will also be donated to Sundre Santas, and this campaign will run for the same dates - Nov 21 to Dec 8.

Please stay tuned for the December newsletter which will have information around the Christmas Band Concert, RVS Carol Sing and the K-2 Christmas Concert. It's a wonderful time of the year to come together, and we look forward to seeing everyone at some point during the season!

Sincerely,

Mrs. Cooper-Shand
Principal
