

# River Valley News

November 19, 2021

The holiday season is just around the corner, and we are so pleased to be able to participate in some of our traditional fundraisers for our community. We will be running our “Hopes & Dreams” food drive campaign to support Sundre Santas, who are able to take food donations this year.

Starting next week we would love to see students bring in a non-perishable food item to add to our donation boxes. For every food item they bring we will affix a token with their name on it to our collection bulletin board. This year our super creative office staff will be “building a Christmas Tree” with a green tag for every student donation, until we have collected enough to put the star on top. It’s a beautiful visual around generosity and giving back to the community.

We will be taking in food donations from November 22 until December 7. To further support Sundre Santas students will be decorating envelopes that are delivered to families with gift cards from community donations. For more information on how you can support this program, or to add someone to the list, please connect with Cherie at GNP at 403-638-1011, or see below for more information.

Cheers,  
Leslie Cooper-Shand
