Orchestrating Early Success

April 15, 2025

Dear Parents and Guardians,

Ecole Olds Elementary School offers a Pre-Kindergarten program for students designed to provide early intervention for students with mild/moderate or severe delays. Students who qualify for Program Unit Funding are free of charge. Families who reside outside of the Olds community may be eligible to attend if there is not a pre-kindergarten program available in your nearby community.

Date: May 9, 2025

Time: 11:00 AM - 1:00 PM

Location: École Olds Elementary School

Come to the front office and sign in and a staff member will guide you to the pre-kindergarten room.

This is a wonderful opportunity to introduce yourself and to become familiar with our school community. You can meet our dedicated educators, and explore our learning environment. We are proud of our early childhood learning program. We believe that a strong partnership between parents, teachers, and students is the key to student success.

The open house is an excellent opportunity for us to strengthen this partnership and work together to provide the best possible educational experience for your child. We encourage you to bring your child along to the open house as they will have the chance to experience the excitement of coming into the school and grab a glimpse of what lies ahead in their school year.

Please mark your calendars and join us for this exciting event. If you have any questions or require further information, please don't hesitate to contact our school office.

Sincerely,

Joe Amundrud
Vice-Principal
