

What's Next?

We are already doing a significant amount of planning for Fall, to ensure we have a great school year on the horizon for 2025-2026. We all know that a growing, vibrant school is vital to a fully functioning community, and so we welcome all local families to make RVS their school of choice. We feel confident we can meet a wide range of educational needs, and look forward to seeing both familiar and new faces in the halls next year.

Stay tuned for Class Placement information in the report card at the end of the month. With limited time to navigate changes before summer break, any concerns about placement will likely be reviewed in the Fall. Feel free to reach out by email to administration in the last week of August if this is the case.

In closing, it is our sincerest wish that you all stay healthy, well and that you are able to connect with families and friends in the summer months. We look forward to returning to positive and productive learning in the Fall. Thank you again for your ongoing support of River Valley School!

Important June Dates to Remember

At RVS we are lucky to have such a hard working School Council, and although it is a small group of people, they consistently come together to diligently fundraise and support many purchases and initiatives that provide benefit to all students and staff. This year the Council hosted Family Movie Night which was a success and navigated a hot dog fundraiser. We are grateful to all parents who commit in any capacity in the school, be that buying a subway lunch or sending money for Growly days, to larger initiatives like supporting fundraising Casinos. In terms of the School Council, we are fortunate to have individuals who consistently go above and beyond and would like to acknowledge their contributions and dedication. Thank-you - We couldn't do it without you!

Thank
You

We want to give a big shout out to Nutrition for Learning for continuing to provide snacks to all students numerous times a week. As well, the purchase of a small refrigerator for the office has supported providing even more students with 'food to go'. This group relies heavily on donations and grants to make this possible, as well as parent volunteers for super fun snacks like popcorn - thank you thank you!

Welcome!

We're excited to welcome Bree Odd as the new Executive Director of Greenwood Neighbourhood Place. Bree brings a wealth of experience, and a diverse skill set to the role, and we're confident her leadership will be a great asset to our organization and community.

I'm excited to step into the role of Executive Director at Greenwood Neighbourhood Place. I know I have big boots to fill and will truly miss Donny's presence and leadership. I'm grateful to be moving forward with such an incredible team, board, and community... and maybe a slightly different pair of boots!

Bree
