Girls Middle A - Games will be on Monday - Starting September 22

Girls Middle B - Games will be on Thursday - Starting September 25

Boys Middle A - Games will be on Monday - Starting September 22

Practice Information

Girls Middle A - Practice will be on Wednesday (3:05 - 4:30)

Girls Middle B - Practice will be on Wednesday (3:05 - 4:30)

Boys Middle A - Practice will be on Tuesday (3:05 - 4:30)

Game Schedule and Info

The schedule was included in the email. It is extremely important that each player tells their coach if they are unable to play. We don't want to show up at another school and not have enough players

Game nights will typically include four teams at one location. They will play each team once that night. Games will always start at 4pm and should be finished by approximately 6pm. For most games, students will need to leave immediately after school to ensure they can get to the game in time. Here is the [CESD policy for transportation](#) form.

There is a CESD tournament on the weekend of October 17/18 which will take place in Didsbury. All of our teams will be invited to play. The schedule will be shared as soon as it is available

2025 Volleyball Season

Uniforms

Each player will be given a uniform at the beginning of the season. It is up to the student to ensure they have the uniform for each game and return the clean uniform at the end of the season.

Permission Form

All players have been sent a digital permission form for the season. Please make sure you have that completed. There is also a \$30.00 fee for playing that covers the cost of referees etc.

Teamsnap

You might get an email about teamsnap. If you have never used it before, it is a free app that will have all the information you need for the seasons. It will let you know about practice times, game times and you will be able to communicate with the coach. Please check your email when the season gets going (sometimes it is sent to a spam folder)
